As per Govt Notifn No G 7981/P.H 12-41-23 d 27-1-42 and No. G 9959/P.H 12-41-34 d 25-3-42, the Shandy at Hosadurga was prohibited to be held for a total period of ten weeks.

The Hosadurga ~~[illegible]~~ Minor M.C. has resolved to remit three months Khist amount of Rs 375 (at Rs 125/- p.m.) taking into consideration the fact that there was no good gathering of people for 3 or 4 weeks prior to the date of the above Notifns.

The collection book cannot perhaps be taken as an authenticate record of actual collection. It shows that in the months of September and December 1941 there was ~~too~~ an excess collection of a few rupees over the monthly Khist amount of

Rs 125/- In other months, the collection is too low not even sufficient to meet the Khist amount. In addition to this loss, he has to meet the ~~charges of~~ collection charges. If the ~~[illegible]~~ contract had resulted in a loss, the contractor would have certainly raised the point. But there is no mention of this.

The President of the Hosadurga Minor Ml Cl has, however, ~~[illegible]~~ taken much interest ~~[illegible]~~ in the matter and has accordingly recommended the remission of Rs 375/- being three months' Khist amount as evidenced from his reports.

The recommendation of the Dy Commr for remitting a sum of Rs 351-14-0 being three months' Khist less the collections made by the Contractor during the month of March 1942 is subd for orders

Sir,

Re Remission of shandy khist amount due from the shandy contractor, Hosadurga - Rs 351-14-0

===

I have the honour to state that consequent on the outbreak of plague in Hosadurga Town and surrounding villages, the shandy at Hosadurga was closed for a period of four weeks in the first instance in accordance with Government Notification No G 7981/P H 12-41-23 dated 27th January 1942, and for a further period of six weeks as per Notification No G 9959 P H 12-41-34 dated 25th March 1942 The shandy contractor Mr Mohamed Fakruddin Sab applied to the President, Hosadurga Municipality on 8th April 1942 for remitting four months' khist as he had sustained heavy loss The matter was placed before the council at its meeting dated 28th April 1942 and it was resolved that since the shandy was stopped for a period of ten weeks and since there was no good congregation of people in the shandy during 3 or 4 weeks even prior to this, a sum equal to 3 months' khist viz, Rs 375/- may be remitted

2 On a perusal of the shandy collection book of the contractor enclosed in the records it is observed that the weekly shandy at the place was not held during February 1942 for four weeks, was held for three weeks in March 1942 and stopped again for six weeks from 23-3-42 to 27-4-42 both days inclusive, During the three weeks in March 1942 on which days the shandy was held the contractor has made collections equal to an aggregate amount of Rs 23-2-0 In

these circumstances, I recommend that sanction of Government may kindly be accorded for remitting a sum of Rs 351-14-0 being the 3 months' khist less the collections made by the contractor

I have herewith forwarded the connected records for kind reference and return

I have the honour to be,
Sir,
